

REGISTRAR OF CONTRACTORS

POSTING LIST

JULY 13, 2007

This information is based upon the records at the time of preparation for publication. It should be confirmed by checking with the Registrar of Contractor's Office, 800 West Washington, Phoenix, Arizona (602) 542-1525 prior to taking any action based on it or Toll Free in Arizona (888) 271-9286.

The license applications on this list have been publicly posted at the office of the Registrar of Contractors from July 9, 2007 through the date shown above.

The following license applications will be eligible for issuance AFTER the mandatory posting period AND upon successful completion of any required examination(s) if applicable. Written protests must be filed prior to the issuance of the license.

A change has been made concerning the names of principals. Last names are listed first followed by first and middle names.

If, prior to the issuance of a pending license, information brought to the attention of the registrar concerning the qualifications of the applicant is such that in the registrar's discretion it might be proper to deny the license, the registrar may notify the applicant that the license application is denied and that the applicant may request a hearing.

This information is available at <http://www.azroc.gov/>
